### Snow volunteers needed!!!!

Our school is looking for a group of **wonderful** parents that are willing to help when it snows. Mrs. Adams and Ms. Ashley live in Maple Valley, which makes it difficult to get to the school early when it does snow, but they want the school to be open and to be as safe as possible if they can. The parents or families that volunteer would help in shoveling snow, laying deicer down, and anything that would help our school be open and safe during that time. Parents that volunteer will get a free date night
